General information

Index Linking

We will change personal belongings specified items sums insured each month and confirm them each year at the renewal date, in line with recognised indices for personal belongings (but not clothing and personal belongings, personal money, credit and debit cards, and pedal cycles, where sums insured are not index-linked).

If you have chosen to increase the limit of pedal cycles cover to a greater amount than is automatically provided under personal belongings section, this higher limit will be index-linked.

The new sums insured and renewal premium will be shown on your renewal notice. However, we will not reduce sums insured if an index value reduces, unless you ask us to do so. Index-linking the buildings sum insured will continue during replacement or repair following loss or damage, as long as replacement or repair is carried out without delay.

Don't forget to tell us of any changes in your circumstances

There are conditions of the insurance that you and your family will need to meet as your part of this contract on pages 40 to 43. The conditions set out the changes in circumstances that could affect your cover and when we would cancel your policy. Please take the opportunity to read the policy conditions.

Helpful and important information about your insurance

- Insurance does not cover your property against everything that can happen so please read your policy carefully to make sure you understand what it covers and the limits which apply.
- It is your responsibility to look after and regularly maintain your property.

Your policy is intended to cover you against unforeseen events like fire or theft. It does not cover wear and tear or damage which happens gradually over a period of time. Areas commonly prone to 'wear and tear' on a building include guttering, flat roofs, fascia boards and boundary walls, and these should all be checked on a regular basis.

- Your policy describes certain things which you are required to do to make sure that you are protected and that your policy cover operates fully. For example, you must:
 - tell us about changes which could affect your policy (see policy conditions on pages 40-43)
 - make sure that your sums insured are high enough to cover the property to be insured (see pages 6, 22, 26 and 37)
 - take reasonable care of your property (see page 40).
- It is your responsibility to prove any loss therefore we recommend that you keep receipts, valuations, photographs, instruction booklets and guarantee cards to help with your claim.

Insurance policies can be difficult to understand so we have tried to make this policy easy to read. Some words have a special meaning in your policy and these are listed and explained on pages 9-11 'Definitions'. From now on whenever a word with a special meaning is used it will be printed in **bold** type.

Complaints procedure

We take all complaints we receive seriously and aim to resolve all our customers' problems quickly. To ensure that we provide the kind of service you expect we welcome your feedback. We will record and analyse your comments to make sure we continually improve the service we offer.

What will happen if I complain?

We will acknowledge your complaint promptly within two working days of receiving it.

We aim to resolve complaints, following assessment and investigation as quickly as possible.

Most of our customers' concerns can be resolved quickly but occasionally more detailed enquiries are needed. If this is likely, we will contact you with an update within 10 days of receipt and give you an expected date of response.

If you remain unhappy with the decision you receive from Police Mutual, you may refer the matter to the Financial Ombudsman Service.

The Financial Ombudsman Service will only consider your complaint if you have given us the opportunity to sort it out.

Please follow the steps below. While we are bound by the decision of the Financial Ombudsman Service, you are not. Following the complaints procedure does not affect your right to take legal action.

The right level of cover

How much to insure for

It is **your** responsibility to make sure that the amount **you** insure for represents the full value of the property concerned.

For **buildings**, this means the full cost of rebuilding **your** property including any outbuildings, plus an amount for any extra charges that could be involved in rebuilding such as demolition costs, architects' and surveyors' fees and meeting the requirements of local authorities.

For **contents** this means the full cost of replacing all the property at today's prices (apart from clothing and household linen, where **you** may make a deduction for wear and tear and loss in value).

It's important that **you** insure for the full amount as the 'sums insured' are the maximum that **we** will pay in the event of a claim.

(If you are the owner but not the occupier of the home insured by this policy).

If you are the owner but not the occupier of the building please remember that Occupier's, personal and employer's liability does not cover your legal liability as the owner of the home and its land. To protect yourself, you will need to arrange buildings insurance which provides your liability to the public cover.

Dangerous Dogs Act 1991

The Dangerous Dogs Act 1991 imposes certain requirements on specific types of dog. It also places requirements in relation to dogs which are, as described in the Act, dangerously out of control.

If you are the owner and occupier of the home insured by this policy.

To protect yourself, you will need to arrange contents insurance which provides Occupier's Liability cover.

At all times, the **sum insured** must be adequate to cover the full cost of rebuilding the **buildings** to the same specification, including an amount for demolition costs and architects' and surveyors' fees.

If at the time of a loss **your sum insured** is too low, **we** will not settle claims on an 'as new' basis and will reduce any payment to reflect wear and tear.

How we settle claims

If **you** wish to claim under this section of **your** policy please follow the steps detailed in the 'How to claim' section (page 7). **You** should also read the policy conditions and exclusions on pages 40-45.

Settling buildings claims

Basis of claims settlement

1. **We** will pay for the cost of work carried out in repairing or replacing the damaged parts of **your buildings** and agreed fees and related costs.

The amount **we** will pay where repairs are carried out will not exceed the lesser of:

- the cost of the work had it been completed by **our** nominated contractor or
- the cost of the work based upon the most competitive estimate or tender from **your** nominated contractors.

If the repair or replacement is not carried out, **we** will pay the lesser of:

- the decrease in market value of **your buildings** due to the damage
- the cost of the work had it been completed by **our** nominated contractor if the repair work had been carried out without delay
- the cost of the work based upon the most competitive estimate or tender from **your** nominated contractors if the repair work had been carried out without delay.

Buildings section

All building repairs carried out by **our** preferred suppliers and insured under the **Buildings** section of this policy are guaranteed for 12 months in respect of quality of workmanship.

No allowance will be made for VAT when a cash settlement is made.

2. Where an **excess** applies, this will be taken off the amount of **your** claim.
3. If **your buildings** have not been kept in a good state of repair or if the **sum insured** at the time of the loss or damage is less than the cost of rebuilding all **your buildings** in the same way, size, style and appearance as when they were new, including fees and related costs, **we** will pay the cost of repairing or replacing the damaged parts of **your buildings** and **we** will, where appropriate, take off an amount for wear and tear.
4. The most **we** will pay for any one claim, including fees and related costs, is the amount it will cost **us** to repair the damage to **your buildings** in the same way, size, style and appearance as when they were new, but not more than the **sum insured** or any limits shown on **your schedule**.

What we will pay

The most **we** will pay for loss or damage arising out of one incident is the **buildings sum insured** shown in **your schedule**.

We will not pay for any reduction in the market value of the **home** after the damaged parts of the **home** have been replaced, reinstated or repaired.

We will not reduce the sum (or sums) insured by the amount paid under any claim.

Pairs, sets and suites

We will not pay for the cost of replacing any undamaged items which form part of:

- a set (other than a pair)
- a suite; or
- any other item of a uniform nature, design or colour

when damage happens to a specific part or within a clearly identifiable area and replacements cannot be matched.

Garden section

This section applies only if it is shown on **your schedule**.

Cover

We will pay:

1. Up to £1,000 each claim for:
 - a. damage to the garden as a result of fire, explosion, lightning, storm, flood, smoke, wilful or malicious acts, impact or **accidental damage**

 - d. damage to the garden caused by falling:
 - trees or branches
 - walls, gates, fences, railings or lampposts
 - items normally fixed to the **home**.
2. Up to £250 each claim for the cost of the removal of fallen trees or branches for which **you** are responsible.

The **excess** shown on **your schedule**.

Loss or damage by:

- birds, animals, insects or domestic pets
- frost or drought
- flood to lawns
- bonfires
- natural ageing, vermin, rot, mildew, fungus or poisoning.

How we settle claims

If **you** wish to claim under this section of **your** policy please follow the steps detailed in the 'How to claim' section (page 7). **You** should also read the policy conditions and exclusions on pages 40-45.

Basis of claims settlement

1.
 - a. Where the damage can be economically repaired **we** will pay the cost of repair
 - b. Where the damage cannot be economically repaired and the damaged or lost item can be replaced, **we** will replace it. If a replacement is not available **we** will replace it with an item of similar quality.
 - c. Where **we** are unable economically to repair or to replace an item with an item of similar quality, **we** will agree a cash payment with **you** based on the replacement value.
 - d. Where **we** can offer repair or replacement through a preferred supplier, but instead **you** request and **we** agree to pay a cash settlement, then the amount will not normally exceed what **we** would have paid **our** preferred supplier.

Garden section

We will not pay for loss of value to any item which **we** have repaired or replaced.

We will not pay the cost of replacing any undamaged item or part solely because it forms part of a set, suite or one of a number of items of a similar nature, species, arrangements, colour or design.

We may replace plants, trees and shrubs by the nearest equivalent varieties but no guarantee of the availability of equivalent maturity, height, colour or shape can be provided.

Repair to damaged lawns will necessitate an element of mismatch due to the difference in grasses and degree of maturity of the lawn.

How we settle claims

If **you** wish to claim under this section of **your** policy please follow the steps detailed in the 'How to claim' section (page 7). **You** should also read the policy conditions and exclusions on pages 40-45.

Buildings pairs, sets and suites section

This section applies only if shown on **your schedule**.

Cover

In the event of loss or damage to parts of the **buildings** which form part of a set of common design, **we** will pay for the replacement or repair of the lost or damaged item only, unless part of a pair.

However **we** will pay for undamaged parts of a bathroom suite or fitted kitchen and their tiles where replacement of the damaged parts cannot be matched.

We will not pay more than £10,000 for any one incident.

Settling claims

Please refer to the **buildings** claims settlement section on pages 36-37.

Rights and responsibilities

We may need to get into a building that has been damaged to salvage anything **we** can and to make sure no more damage happens. **You** must help **us** to do this but **you** must not abandon **your** property to us.

You must not settle, reject, negotiate or offer to pay any claim **you** have made or intend to make under this policy without **our** written permission. **We** have the right, if **we** choose, in **your** name but at **our** expense to:

Where **we** have asked **you** for specific information relevant to **your** claim **we** will pay for any reasonable expenses **you** incur in providing **us** with the above information.

Limit

For any claim or series of claims involving legal liability covered by this policy, **we** may pay:

- up to the limit shown in the policy (less any amounts already paid as compensation); or

If **your** claim is in any way dishonest or exaggerated **we** will not pay any benefit under this policy or return any premium to **you**. **We** may also tell the police.

6. Other insurance

If there is any other insurance covering the same claim, **we** will only pay **our** share of the claim, even if the other insurer refuses the claim.

7. Cancelling this policy

Following the expiry of **your** 14 day statutory cooling off period, **you** continue to have the right to cancel **your** policy at any time during its term.

If **you** wish to cancel **your** policy please write to Police Mutual, 5th Floor, 20 Chapel St, Liverpool, L3 9AG or call 0151 236 4511. If **you** do so, **you** will be entitled to a refund of the premium paid subject to a deduction for the time for which **you** have been covered provided that no claim has been made during the current **period of insurance**.

Where **we** have identified serious grounds, **we** will contact **you** at **your** last known address and, where possible, seek an opportunity to resolve the matter with **you**. Where a solution cannot be agreed between us, **we** may cancel the policy by giving **you** 30 days notice.

General Conditions

By serious grounds **we** mean the use or threat of violence or aggressive behaviour against **our** staff, contractors or property.

This will not affect **your** right to make a claim for any event that happened before the cancellation date. If **we** cancel the policy **we** will refund premiums already paid for the remainder of the current **period of insurance**.

Where **we** have agreed to **you** paying your premium by monthly instalments, then in the event that there is a default in the instalments due under the schedule of payments, **we** reserve the right to cancel **your** policy by giving **you** 14 days' notice at **your** last known address and **you** will no longer be insured by **us**.

If **your** monthly premium payment has a Fixed Sum Loan Agreement regulated by The Consumer Credit Act 1974, then this shall be deemed to be a linked loan agreement. In the event that there is a default in the instalments due under the payment schedule, **we** reserve the right to also terminate that linked loan agreement.

Cancelling the monthly premium instalment agreement

If **you** choose to pay through Police Mutual's monthly instalment scheme and miss a payment, **we** will consider this to be notice that **you** want to cancel **your policy**.

If **you** cancel **your policy** after you have made a claim in the current **period of insurance**, **you** must pay **us** the rest of **your** premium up until the next renewal date.

8. Your duty to keep to the conditions of this policy.

To be covered by this insurance, **you** must keep to the terms and conditions of this policy.

9. Arbitration

If **we** have accepted **your** claim but disagree with the amount **we** should pay, an arbitrator will decide the matter. **You** and **we** must agree on an arbitrator in line with the law at the time. **You** must wait for the arbitrator's decision before **you** can take any legal action against **us**.

10. Financial Sanctions

We shall not provide any cover or be liable to provide any indemnity, payment or other benefit under this policy to the extent that the provision of such cover, indemnity, payment or other benefit would expose us to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom, United States or other country of policy issue.

If any such resolution, sanction, law or regulation takes effect during the **period of insurance** **we** may cancel this policy immediately by giving **you** written notice at **your** last known address.

How we use your information

Your privacy is important to us and we are committed to keeping it protected. We have created this Customer Privacy Notice which will explain how we use the information we collect about you and how you can exercise your data protection rights. This Privacy Notice will help you understand the following:

Who are we?

We are Royal & Sun Alliance Insurance Ltd (RSA), we provide commercial and consumer insurance products and services under a number of brands, such as MoreThan. We also provide insurance services in partnership with Police Mutual.

Why do we collect and use your personal information?

As an insurer, we need your personal information to understand the level of insurance cover you require. We'll use this information (e.g. your name, address, telephone number and email address) to communicate with you and if you have agreed, to send you news and offers related to our products and services.

We need to use your information to create a quote for you, allowing you to buy insurance products from us. When buying a product from us, you'll also need to provide us with details about the items you wish to be covered by the insurance (e.g. car make and model, your home).

We may need to check information you have submitted with external companies/ organisations (e.g. the DVLA, the Motor Insurance Database, credit reference agencies and criminal conviction checks.) When buying certain products, sometimes we will ask for special categories of personal data (e.g. driving offences for motor insurance, medical records in case of injury).

Once you become a customer, we'll need to take your payment details to set up your cover. This could be direct debit, credit or debit card information. To service your policy, we might contact you via our website, emails, telephone calls or post. When using these services we might record additional information, such as passwords, online identifiers and call recordings.

For some of our products, we may collect information through smart sensors to assess your insurance needs (e.g. a black box installed in your vehicle when you buy a telematics driving product, which collects and uses geo-location and driving behaviour data).

If you need to claim against your insurance policy, we will need to collect information about the incident and this may be shared with other selected companies to help process the claim. If other people are involved in the incident, we may also need to collect additional information about them which can include special categories of personal data (e.g. injury and health data).

In submitting an application to us, you may provide us with equivalent or substantially similar information relating to other proposed beneficiaries under the policy. You agree that you will bring this Privacy Notice to the attention of each beneficiary at the earliest possible opportunity.

Data protection laws require us to meet certain conditions before we are allowed to use your personal information in the manner described in this Privacy Notice. To use your personal information, we will rely on one or more of the following grounds:

- **Performance of contract:** We need to use your personal information in order to provide you with the policy (which is a contract of insurance between you and us), and perform our obligations under it (such as making payments to you in respect of a claim made under the policy).

How we use your information

- **Consent:** In certain circumstances, we may need your consent unless authorised by law in order to use personal information about you which is classed as “special categories of personal data”.
For marketing, you will always be given a choice over the use of your data.
- **Necessity to establish, exercise or defend legal claim:** If you, or we, bring a legal claim (e.g. a court action) against the other, we may use your information in either establishing our position, or defending ourselves in relation to that legal claim.
- **Compliance with a legal obligation:** Where laws or regulations may require us to use your personal information in certain ways.
- **Legitimate Interests:** We will also process your personal information where this processing is in our “legitimate interests”. When relying on this condition, we are required to carry out a balancing test of our interests in using your personal information (for example, carrying out market research), against the interests you have as a citizen and the rights you have under data protection laws. The outcome of this balancing test will determine whether we can use your personal information in the ways described in this Privacy Notice. We will always act reasonably and give full and proper consideration to your interests in carrying out this balancing test.

Where else do we collect information about you?

Where possible, we'll collect your personal information directly from you. However, on occasion we may receive details about you from other people or companies. For example, this might happen if:

- It was supplied to us when you purchased an insurance product or service that is provided by us in partnership with other companies; or
- It was lawfully collected from other sources (e.g. Motor Insurance Database, Claims and Underwriting Exchange or fraud prevention databases) to validate the information you have provided to us.

We request those third parties to comply with data protection laws and to be transparent about any such disclosures. If you would like some further information, please contact us.

Will we share your personal information with anyone else?

- With healthcare providers in the context of any relevant claim being made against your policy;
- If we appoint a third party to process and settle claims under the policy on our behalf, in which case we will make your personal information available to them for the purposes of processing and settling such claims;

How we use your information

- With our third party service providers (including hosting/storage providers, research agencies, technology suppliers etc.);
- With our reinsurers (and brokers of reinsurers) in connection with the normal operation of our business;

Sometimes your personal information may be sent to other parties outside of the European Economic Area (EEA) in connection with the purposes set out above. We will take all reasonable steps to ensure that your personal information is treated securely and in accordance with this Privacy Notice, and in doing so may rely on certain “transfer mechanisms” such as the EU-US Privacy Shield, and the standard contractual clauses approved by the European Commission. If you would like further information please contact us.

Which decisions made about you will be automated?

Before we can offer you an insurance product or service, we may need to conduct the following activities, which involve automated (computer based) decision-making:

- **Pricing and Underwriting** – this process calculates the insurance risks based on the information that you have supplied. This will be used to calculate the premium you will have to pay.
- **Credit Referencing** – using the information given, calculations are performed to evaluate your credit rating. This rating will help us to evaluate your ability to pay for the quoted products and services.
- **Smart Sensor Data Analytics** – an insurance product that collects your information using smart sensors (e.g. in car black box) to calculate your insurance risk (e.g. driving score). This may then be used to determine your policy rewards (e.g. cash back for safe driving) and to calculate your policy renewal premium.
- **Automated Claims** – some small claims may qualify for automated processing, which will check the information you provide, resulting in a settlement or rejection of your claim.

The results of these automated decision-making processes may limit the products and services we can offer you. If you do not agree with the result, you have the right to request that we perform a manual reassessment using the same information that you originally provided. If you wish to do so please contact us.

For how long will we keep your information?

Your personal information will be retained under one or more of the following criteria:

- Where the personal information is used to provide you with the correct insurance cover, which will be kept as long as it is required to fulfil the conditions of the insurance contract.
- Where the use of your personal information for a specific purpose is based on your consent, it will be kept for as long as we continue to have your consent (e.g. we would stop contacting you for marketing purposes once you have asked us to).
- Where, for a limited period of time, we are using some of your information to improve the products or services we provide.
- For as long as your information is required to allow us to conduct fraud and/or criminal checks and investigations.

Will you be contacted for marketing purposes?

If you have agreed, we might contact you by post, email, phone and text message to let you know about offers and services we think you'll like. The messages may be personalised using information you have previously provided us.

How we use your information

You can ask us to stop contacting you for marketing purposes at any point.

We will only contact you for marketing purposes if we collected your information directly, except when authorised and instructed by the third-party acting on your behalf.

We may use the information which we collect about you to show you relevant advertising on third-party websites (e.g. Facebook, and Google). This could involve showing you an advertising message where through the use of cookies, we know you have browsed our products and services. If you don't want to be shown targeted advertising messages from us, you can change the advertising setting on some third-party sites and some browsers to block our adverts.

Your information is incorrect what should you do?

If you hold a product or service with us and think that the information we hold about you is incorrect or incomplete, please contact us and we will be happy to update it for you.

What are your rights over the information that is held by RSA?

We understand that your personal information is important to you, therefore you may request the following from us to:

- 1 Provide you with details about the personal information we hold about you, as well as a copy of the information itself in a commonly used format. [Request Ref: DSR 1]
- 2 Request your personal information be deleted where you believe it is no longer required.
